

## NEW POOL MAKES A SPLASH !

"Bali Garden Beach Resort has added a spa pool in the garden. The new spa pool has separate areas with therapeutic bubbles under the feet, water jets for the back and water spouts for the neck and shoulders. The finish of the pool is a natural stone called angel green that blends nicely with the surrounding gardens. There are two water beds and

5 Bali bales beside the pool where guests can totally relax" said Adrian J. Forsyth, General Manager.

The new spa pool is part of a total redevelopment of the beach side at Bali Garden Hotel that now includes 3 pools, restaurant, beach bar and wedding bale.

## NYEPI DAY IN BALI, MARCH 7,08

This year, Balinese Hindu New Year, Nyepi Day, falls on Friday, March 7, 2008.

Nyepi Day is a day of absolute silence throughout the island of Bali. Hindu followers do not light fires, do not turn on lights and do not make any noise. As there is no moon the night of the 7th will be totally dark and silent. The airport and all roads are closed for the day. Quite special!

Guest are asked to stay inside the hotel grounds from 6.00am on March 7th to 6.00am on 8th March.

The Nyepi day is actually the day of self - introspection for controlling oneself and submission to God.

One day before Nyepi is Ogoh-Ogoh (symbol of evil/bhuta) parade that will finish in front of Bali Garden Hotel. Quite a spectacle!
