TARI SPA

TARI SPECIALITIES

(Open from 8 am until 10 pm)

- **BALINESE REFLEXOLOGY**

45 Minutes – Rp. 115,000

Therapy includes foot massage using Bali Traditional oil to relax your feet. You will be walking on air.

- **FOOT DETOX REFLEXOLOGY**

45 Minutes – Rp. 115,000

It helps break down the toxins that sink and accumulate in the foot. Using crystallized salt with detox oils, containing sandalwood and ginger. Tread gingerly.

- **ANCIENT CHINESE REFLEXOLOGY**

45 Minutes – Rp. 115,000

Using ancient Chinese acupressure techniques to reduce stress, restore the balance of Yin and Yang. They have been doing it for thousand of years. They can't all be wrong.

- **BODY MASK AND MASSAGE**

90 Minutes – Rp. 225,000

Traditional Balinese massage followed by a relaxing body mask to soften and smooth your skin. Choose from:

Papaya Mask : *It exfoliates while your skin absorbs the minerals and enzymes from this exotic fruit. It's both nourishing and moisturizing.*

Seaweed Mask : *Seaweeds have long been considered nature's most complete and balanced nutrient. Seaweed contains microscopic minerals that penetrate deeply into the skin bringing essential water-balancing properties to cells preventing superficial dehydration.*

Mud Mask : *With Enriched mineral contents which are vital to skin and enhances its natural glow.*

Cucumber Mask : *A gentle cleaning that refreshes your skin with cooling and toning effects of cucumber. This mask is recommended for those suffering from sunburn or sensitive skin.*

Avocado Masker : *Very Popular!, the natural oils in avocado cleanse, softens, moisturizes, soothe dryness and alleviates roughness.*

- **BODY SCRUB AND MASSAGE**

90 Minutes – Rp. 225,000

Traditional Balinese Massage followed by a luxurious tropical scrub. Choose from:

Lulur Scrub: *Deeply cleanses the skin of all dirt and dust and loose skin. Gives nutrition to the skin, moisturizers and helps prevent the wrinkles. An Indonesian institution.*

Green Tea Scrub *This anti-oxidant tones your skin with a light detox, opens the pores and refreshes your skin.*

Coconut Scrub: *Exfoliate your skin, invigorate & reinstate its natural glow.*

Coffee Scrub: *Relieve the tiredness and accelerates the blood circulation.*
